| How is the score calculated?

Calculated by percentage of assessment type , Total score: 100

Total score: $100 = \text{Assignment assessment}(30\%) + \text{Discussion unit assessment}(10\%) + \text{Exam unit assessment}(30\%) + \text{Video unit assesment}(30\%)$

| How do I get score?

Learners can get corresponding scores after completing the units added to the assessment. If the unit is not added to the assessment, the score will not be calculated after the study.
