

ECOTOPIAN PICTURES

ACTION PLAN

Review Writing

Learning to write a review on a movie that tackles environmental issues in a city in the United States

Movie Blog

Writing a blog on a movie chosen by the head. Through the blog, the members will express their opinions on the movie and th way it adresses important topics.

Environmental Documentary

Creating a 3 - 5 documentary on current environmental issues.

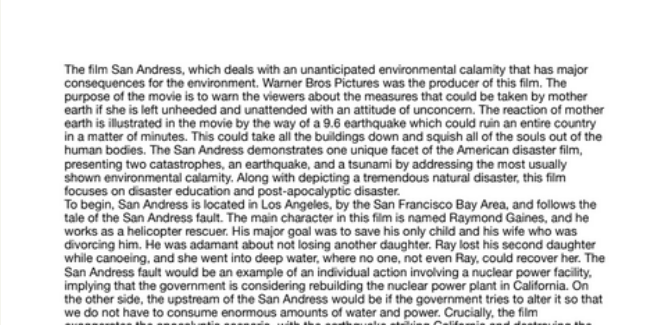

Documentary

Since the members now have practice of creating a documentary, they must make a professional one themselves. The topic will be chosen by the heads.

Initiatives taken by Ecotopian Pictures

Review Writing

30th September 2021

The members of the movie club were given the task of watching the movie San Andreas and writing a review on the environmental issues tackled by the movie.

The winner of this mini-competition was Mitali Agarwal. Her work was displayed in the ecotopia social media page.

Documentary

13th December 2021

Another mini-competition between the members of the section. The members were assigned the task of creating a short documentary that discusses a recent problem in the environment.
